

## SCHOOL UNIFORM

Students are required to be in proper school uniform everyday unless there is a special event that allows for a different dress code. The uniform must be completely adhered to, including any sweaters, jackets, or shoe wear.

If a student has extenuating circumstances that require them to be out of uniform, in whole or in part, the parent of the student must call the school prior to 8:15 am to request special permission or must communicate with the homeroom teacher via email.

Footwear should be a black, flat shoe either a loafer or an oxford in style. Sneakers are not permitted except during PE class. Socks must be black or white. Any jewelry worn must be discreet: one small pair of stud earrings, one watch, (please follow the PE expectations relating to PE kit and jewelry). Girls who cover with a headscarf must wear plain black or white with no decoration.

Students are not to dye their hair in unconventional colors such as pink and green. Hair longer than the shoulders should be tied up neatly and be off the students face. Students may not wear make-up to school. House T-shirts can be worn on House Days and Sports Day.

Any prolonged digression from the uniform for a valid reason requires a meeting with the parents and the Head of Elementary to provide reasoning, proof, and to receive permission. AAM's uniform policy is strict in order to ensure safety, focus on academics, and to avoid distractions in the classroom. All parts of the uniform must be purchased from Zack's, our uniform supplier.
